Perched on a hill, Parc Vue East is a boutique building of 20 residences designed to provide residents with quality space, peace and privacy. Featuring one of the best living plans in the building, Number 3 is a large and wonderfully laid out two-bedroom, two-bathroom apartment, much larger than you typically find in the area. Its layout also makes it one of the few apartments which comes with a walk-in robe in the master bedroom and a far larger kitchen, perfect for those budding chefs. The balcony off the living room faces east into the morning sun. The rooftop entertainment area offers 360° views and breezes from all directions making it the ideal place to relax and watch the sunset colours in this highly sought after area of Murarrie. This is beautifully-planned accommodation in an enviable location--rare in that it ticks all the boxes for your ideal apartment: a large well-designed apartment in a quiet building, breezes up on a hill, views, location, residents' rooftop terrace, gated parking and low Body Corp fees.
