\$780,000 - \$820,000

Styled-up, sun-soaked and garden-wrapped to the rear of a boutique group, this single-level home shines! Making the most a quiet north-facing rear position in this groomed group of just three, this three bedroom single-level townhouse is a big bright start-up, down-size or invest-in opportunity! Thoughtfully laid out with living-dining oriented to catch north sun, and garden-view bedrooms offering lush views through tall windows, this brilliant home even has fantastic car accommodation with two-carspace in an auto-garage and carport! Sparkling with fresh new style in a stone-benchttop and prestige appliance kitchen (with integrated dishwasher) and a huge bathroom in addition to the outdoor-access separate laundry, this gas-heated and reverse-cycle air-conditioned home lights up with big built-in robes and soaring skylights at every turn. Beautifully boutique-addressed in the heart of Highett, this stylish single-level home even has a bright and shiny position with the station and hospitality strip within a few blocks' walk, Southland within a minute, and beachside café society in reach. For more information about this quiet rear home contact Paul Sibley at Buxton Hampton East on 0403 325 423
