Proudly presenting a unique opportunity to secure a large and spacious townhouse located in the Town Centre - it does not get better than this! Privacy is ensured being the last dwelling of three in the complex while being positioned adjacent to the Wonthaggi Medical Centre and a 100 metre walk from all the major supermarkets and amenities Wonthaggi has to offer. This well built brick home has a free flowing floor plan and timeless colour scheme all complimented by the high ceilings and large living spaces. The three bedrooms are exceptional in size with two containing built in robes and the master being situated at the back of the home with walk in robe and ensuite. A highlight of the property is the two huge living zones and the kitchen being fully equipped with dishwasher, natural gas cooking & walk in pantry. Additionally this property features a double remote lock up garage, solar, ducted heating, endless storage and a comfortable court yard.
