This stunning, immaculately presented, brand new contemporary style townhouse has been thoughtfully designed to take full advantage of the spectacular countryside setting. Designed and built by the award winning team of Rosevear Stephenson Architects and W.H.Ashlin Builders, the floor plan has been meticulously designed with the living and dining areas enhanced by expansive double glazing to encapsulate the fantastic rural surroundings and landscaped lawns and gardens. Utilising a high level of fixtures and fittings, this residence is the epitome of modern contemporary living. The land size is a substantial 945m², fully secure and is perfect for children or animals to enjoy. Located in a prime elevated position and nearby to the thriving Huonville township offering all the services and conveniences that one requires for an idyllic lifestyle.

- Ultra-convenient, low-maintenance lifestyle awaits
- Substantial 176m² floor plan
