Light, 'fresh' and 'functional' can all describe this townhouse which has succeeded in capturing life's small luxuries necessary for today's lifestyle. With features such as; dishwasher, ensuite and walk-in wardrobe; an extra toilet downstairs, auto door garage and reverse cycle heatpump/air conditioner that will all help to make your daily living a little easier. This 3 bedroom home also boasts a floor plan that makes good sense. The bedrooms and bathrooms are all upstairs, while the laundry and living areas are downstairs.
