\$380,000

This spacious apartment; one of only four in the block, in a quiet street in Bentleigh East, offers a low maintenance lifestyle. Boasting more than 60 sqm of contemporary living in a highly sought after suburb, the residence has a fresh, neutral colour palette, complemented by polished porcelain tiles for easy cleaning. Designed to maximise natural light, glass doors lead to a private balcony. The bedroom features a wall of sliding mirrored wardrobe doors, above which sit windows, allowing in a refreshing breeze. A large walk in shower and a stylish stone vanity distinguish the adjacent bathroom/laundry. The kitchen has a glass splashback, stainless steel appliances, Caesarstone surfaces and a generous island bench with breakfast bar. Extras include split system air conditioning, day/night blinds, clever built in storage solutions and secure entry. There is also an undercover car space and an abundance of on street parking. With easy access to public transport and a café on the nearby corner, the apartment is walking distance to bustling Centre Road shops and eateries, Bentleigh Secondary College, GESAC and beautiful parks.
