Impeccably designed and immaculately presented, this gorgeous apartment (175m²) will definitely impress from the second you arrive. Situated in the tightly kept pocket of Little Beach this expansive apartment is only an approximate 1-minute walk to Shoal Bay Beach and Little Beach. One of only ten apartments in the luxurious “Kingfisher Apartments”, this is the epitome of lock-up and leave and proposes a fantastic opportunity to live the coastal dream. On entry via the lift, you will be immediately drawn to the abundance of natural light that floods the apartment. From here, the state-of-the-art kitchen flows seamlessly to both the living and undercover balcony. The kitchen is well equipped with sleek appliances, stone benchtops, built-in bar and butler's pantry, making it the ideal space for entertaining both family and friends. With enough room to comfortably accommodate the family and guests, there are three generous bedrooms including the master, equipped with built-in wardrobes and a luxurious ensuite. The main bathroom is just as impressive and includes a free-standing bathtub perfect for soaking after a day at the beach. Situated in between two iconic beaches, where you can follow the sun from Shoal Bay Beach to Little Beach during the day and walk to your choice of restaurants in Nelson Bay CBD or Shoal Bay at night, you will be spoilt for choice in this dream location. With a spacious laundry, ducted air-conditioning throughout, and a secure carpark this apartment has it all.
