Highly sought after and rarely to come to market this well sized unit, right in town, is looking for its new owner. Situated very close to shops, schools, walking tracks, public transport and medical facilities the central location is fantastic. Appealing both inside and out, lots of natural light and a neutral colour palette you will feel at home right away. The timber details combined with brick works add so much character and creates an immediate homely feel with a great sense of space. Both bedrooms have built in robes and there is ample storage throughout. Further features include, split system air conditioner, private courtyard and large lock up garage plus a multi purpose room/ study. Suitable for multiple buyers and available with a short settlement.
