\$593,750

Visit the Display Suite - 2 High Street Close, Northcote. Located in the Central building this apartment is the perfect opportunity to enter the market in this unique project. Open pathways from Walker Street provide vistas through the buildings and open onto sunny piazzas with eucalyptus trees, leading down towards bushland and water. On the banks of Merri Creek, these homes are bordered by Australian bushland to the south, low-rise cottages to the north and are a short stroll away from the bustling locale of Westgarth. Merri Northcote has been conceptualised to complement the natural beauty of the creek and reflect the values of the surrounding community. Car parking and vehicle access is located underground and out of sight, making way for peaceful, private and accessible spaces above. Designed to accentuate the spacious light-filled spaces, this apartment features the Light Oak scheme with lighter joinery timbers matched with hardwood edge details and feature handles. European Oak timber flooring are paired with natural wool carpets to the bedroom and terrazzo tiles in the bathrooms, celebrating the apartment's honest natural palette. The dedicated rooftop garden with this creek fronting building enjoy sweeping views of the nearby creek, tree tops and the city beyond, with comfortable spaces fitted with shade structures and a garden experience interspersed with pockets of seating and outdoor dining. The accompanying planting design will match that of the Merri Creek below, providing a private place of refuge and space where local birdlife is encouraged to visit. Developed by MAB in collaboration with Six Degrees Architects and TCL landscape architecture, Merri is designed to complement the natural wonder of Merri Creek. Only 250 metres up High St are the Westgarth shops, where you'll find cafes, award-winning restaurants, public transport, and the iconic Westgarth Cinemas. All Building Images – Artist's Impressions.
