Auction

This privately positioned 2 bed townhouse with generous living space really ticks all of the boxes. With only 6 townhouses in the complex and in show home condition this beautiful property presents like brand new and will not disappoint. The two spacious bedrooms are both air conditioned and the open plan living, dining and kitchen area with vaulted ceilings really are a delight, it even comes with a sizeable nook for the home office. The kitchen comprises of a chefs oven, dishwasher and plenty of bench space which leads out to the back deck area via sliding doors. Downstairs you will find a very spacious laundry room, a private undercover carport, garden area and plenty of room for barbeques and entertaining with family and friends. Situated in the heart of Cannonvale and close to all the local amenities such as schools, shopping center, gym, public transport and a stroll down to Cannonvale beach.
