CENTRAL TO ABSOLUTELY EVERYTHING

Tucked toward the end of this block of only four, this single-level home complements its affordability and easy liveability with a position packed with desirability.

Just moments walk to Thomastown station and the shops, cafes and eateries along The Boulevard and across the line on High Street, it will be pretty hard to find a better mix of lifestyle and location!

The easy-to-live-with layout introduces two bedrooms sharing the family bathroom, complementing them with an open-plan living area. Finished with no-fuss tiles and anchored by an open plan kitchen showcasing stainless steel appliances, it extends through sliding doors in a wall of glass to a private courtyard bathed in the northern sun.

Along with a car park on the title, extras include connection to the NBN, a large shed, true laundry and a split system unit for year-round comfort.

Whether you are looking to live in or let out, this is a must-see!
