Tucked away on the edge of Hawksburn village, just one of four, built by renowned architectural developer Orchard Piper, this spacious two-bedroom, two-bathroom apartment offers privacy & style backdropped by revolving natural light from the north and west. Refined, considered and enduring, floor-to-ceiling double glazed windows and strong architectural lines contour with natural tones of oak and stone. A stage for both private day to day living and refined entertaining, a spacious open-plan living and dining zone with a gas fireplace with integrated TV wrapped in feature joinery is illuminated in day long natural light with a seamless transition to a northern balcony. The stone kitchen is feature packed whilst remaining streamlined with elegant stone benchtops, pull-out pantry, integrated Fisher & Paykel refrigerator and Miele appliances including an integrated dishwasher. The two bedrooms are zoned in their own wings with the oversized main bedroom suite featuring a custom fitted dressing room, study area, integrated TV and luxurious fully tiled ensuite with a freestanding bath. Impeccably detailed, appointments include excellent security, keyless entry system, video intercom, lift, basement garaging side by side for two cars plus visitor parking, Oak flooring, block-out roller blinds, separate laundry, tall ceilings, full-height doors and climate control. Within a stroll of vibrant Hawksburn Village's cafes and shops, Malvern Road trams, Beatty Avenue village, parkland, buses and Toorak station, this magnificent residence captures the very essence of sophisticated Toorak living.
