Positioned on the north western end, this 2nd level residence is bathed in natural light streaming in from 3 sides. It is so rare for an apartment with a favoured northern and western views to become available. Elevated, private and secure the residence is a fine example of uncompromising quality where no expense is spared. Large proportions, big bedrooms, spacious storage and a quality fit out will give you a sense of pride every time you return home. The Taskers community is an ode to a simple and easy way of living. Resort style facilities with a large pool, gym, sauna, yoga and pilates studio, multiple bbq and picnic areas. These apartments have also been designed for the locale and also the future with very high energy ratings, great insulation, double glazing and more. Being on the end of the building here, you can just open the windows too and have the Fremantle Doctor refresh you every afternoon! This is a great offering, in a great location.
