Looking for a unit with more space than most? This unit is 89 sq m. with 255cm ceilings and lots of windows to let in the light from its northerly aspect. Living area: The front door opens into the roomy living area which provides enough space for you to configure your lounge and dining options. The adjoining kitchen is light and spacious and from there the rear door opens onto a second outdoor area currently enhanced with a small outdoor setting together with potted scented plants and herbs. Bathroom: A glass sided shower, large bench with cabinets below and quality tiling make the bathroom spacious and inviting. The room contains a laundry tub and space for a washing machine. There is a separate toilet. Bedrooms: The two bedrooms are of a good size with the main having a large built-in robe with floor to ceiling sliding doors. The second bedroom has its original built-in robe. Energy: A 1.5kW solar system is installed providing savings on your power bill. Parking: Off-street car space included providing easy access to the ground floor unit. This centrally located unit offers an affordable comfortable, convenient home.
