\$500,000 - \$550,000

One of only four, enjoying its own free-standing independence, this two bedroom townhouse is literally about two minutes' walk from Albion Primary School. Selwyn Park and Albion station are both beautifully close to this desirable dual level design. Live and dine on a downstairs level that includes a stylishly appointed open-plan kitchen while sliding glass doors reveal a courtyard retreat that's easy to maintain, even easier to enjoy. Two bedrooms deliver attractive accommodation on the upstairs level that they share with the sparkling central bathroom. A garden shed, water tank and secure garage seal a sensational Albion deal.
