If you're searching for a unit that's within walking distance to shopping, restaurants/ cafes and entertainment then this will be well worth a look. Mostly original, with the addition of a switchboard upgrade and split system for safety and comfort. A spacious and secure single garage at the rear, includes ample extra parking space and a bonus store room/ workshop. Easy access via a standard sized door to under unit for even more storage space. Open plan dining/ living with large North facing windows and new blinds. Original kitchen with a well-sized double door pantry, gas cook-top and electric wall oven (both not original) and upgraded vinyl flooring that was also added to the bathroom and separate laundry. A well equipped bathroom that includes a separate bath and shower with the added bonus of a separate toilet. A large main bedroom with built in robes (4 doors) and a new blind. The 2nd bedroom, a more standard size with built-in robes (3 door) and new blind. Vacant and ready to go!
