Transformed from its villa origins a light-filled 2 bedroom, 2 bathroom home is accompanied by a private sun drenched courtyard perfect for entertaining friends and family. The generous master bedroom and a second bedroom offering office or studio flexibility are served by a fabulous, renovated bathroom and open plan living, kitchen and dining areas. Cleverly created so indoor spaces and outdoor dimensions form a seamless, sophisticated combination. On a block of only three properties with ducted heating and cooling, gas fireplace and an abundance of storage further enhance this property.
