Backing directly onto the Sir Robert Menzies Reserve, this stunning ground level boutique garden residence has been brilliantly designed with an impressive sense of proportion, superior finishes and an elite level of quality to create the ultimate in lock up and leave luxury. A welcoming ambience is immediately evidenced by the tall ceilings and oak floors that flow through the wide entrance hall to a fitted home office and the expansive open plan living and dining room bathed in northwestern light through floor to ceiling windows. Warmed by a gas log fire and served by a premium gourmet kitchen appointed with Miele appliances including integrated fridge/freezer and a butler's pantry, the living area opens to a large northwest undercover bluestone terrace with a leafy garden backdrop and private gate to the park. Also opening to the garden, the light-filled main bedroom with walk through robes and lavish designer en suite is matched by a second robed bedroom with courtyard views and a stylish bathroom. Enviably situated near Tooronga station, Tooronga Village, Malvern Village's cafes and restaurants, trams and schools, it includes an alarm, video intercom, ducted heating/cooling, remote blinds, laundry, irrigation, ample storage and basement double garage with storage.
