Second chance! From \$695,000

Please note that this property is leased until 31 January 2025 This is a light and bright, deceptively spacious single-level villa. In a sought-after South Scarborough location, this private delight is nestled at the rear of a well-kept complex. The main living area is positioned upon entrance that walks through to a central dining and well-appointed kitchen. The kitchen features ample cupboard space and looks out to a massive deck that wraps around the rear and side of the property. It's the perfect entertaining spot. The Master bedroom is bigger than most in the area and offers two double built-in robes. The second bedroom offers the convenience of a built-in robe and the third bedroom positioned adjacent down the hallway. The bathroom has an abundance of natural light helped by a skylight. The spacious laundry is fitted with linen closet, separate toilet and direct access to drying area. Undercover parking is at your front door.
