\$1,500,000

Sold by Jellis Craig. Offering own street frontages, own titles and free from any body corporate fees these free standing large residences offer elegance, sophistication and quality through its build. These soon to be constructed new homes will range in sizes from 28 squares including garages to 37 squares including garages and offer buyers the highest quality of fixtures and finishes including oak flooring, superior carpeting, smeg appliances, brushed nickel tapware, heating and cooling. A combination of luxury and contemporary design that sets a new benchmark in new building across the suburb these homes offer 4 bedrooms (dual master bedrooms on both ground floor and upper level), study, multiple living zones and open plan living with flexible designs that incorporate low maintenance living without compromising on internal spaces located within walking distance to Rosanna Village and Train Station, parklands / bike and walking tracks along with quality schooling, major shopping centres, La Trobe University and so much more.
