This stunning 2 bedroom unit could be yours if you are quick enough. Just one of three in this boutique block, the enviable Nth East aspect gives you year round sea breezes. Beautifully renovated and sparing no expense the quality oozing from your new home will be the envy of all your friends. As a budding chef myself I am drawn to the space for preparation on the caeser stone bench tops, smeg appliances and induction cooktop. There is also a clever reverse cupboard in the dining room for the extra platters and bowls for entertaining. Open plan living has been generously laid out incorporating both the dining/kitchen and lounge areas. Sliding doors to the outside area from the dining invite guests both inside and out. The stylish undercover patio is a great space to relax, unwind or entertain your guests. Fully weather proofed and surrounded by gorgeous gingers, cordylines and a lilypilly hedge you will feel like you are in your own Garden of Eden. Massive built-ins in the master bedroom and the modernized 2 way bathroom still give you all the conveniences of an ensuite and excellent access for the second bedroom. Single car garaging, brand new fence installed and the water just a short stroll away, this is the sea change you have been looking for. Book your inspection now.
