This sensational townhouse provides the perfect opportunity for first homebuyers, downsizers or savvy investors looking for a move-in ready home in a fantastic location. Light filled accommodation spreads with ease across two levels. The ground floor offers an open plan layout with attractive timber floors; it is substantially sized, with an expansive living space and a generous dining space. Between these, a modern kitchen with stone bench tops and stainless steel appliances makes a striking statement. On the upper level there are three robed bedrooms and two pristine bathrooms, including an ensuite to the master, while outdoors, a huge open air space ensures relaxation and alfresco entertaining are well catered for. Additional features include split system heating and cooling, a downstairs powder room, a full-sized laundry, a double lock-up garage, and a position amongst a range of desirable amenities. You're close to local buses, a number of shopping precincts like Bulleen Plaza, Macedon Plaza and Westfield Doncaster, quality schools, the Eastern Freeway, and a variety of open green spaces including Sheahans Reserve, and Birrarung Park. Don't let this be the one that got away. Make your enquires without delay. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
