A compelling synergy of style, space and setting underpin the allure of this 3 years young, tri-level residence with modern finishes highlighting every space and a streamlined design delivering a low-maintenance environment for effortless enjoyment. Delivering cohesion throughout the space, the living, dining and kitchen flow over contemporary floorboards and display stone benches that are matched with an abundance of cabinetry and quality Bosch stainless steel appliances. The fusion between inside and out is fabulously achieved with bi-parting sliding doors opening onto an entertainer's balcony. Stepping up to the third level, you'll find two robed bedrooms, further complemented by a showpiece bathroom with freestanding bathtub, oversized shower, floor to ceiling tiles and toilet. Finishing touches include a Euro laundry, split system heating/air conditioning in all rooms, wide staircases, square set ceiling cornices plus a single garage with storage and internal access. Placed in a premium lifestyle precinct, in the Mount Waverley Secondary College school zone and Orchard Grove and Burwood East Primary Catchments, walking distance to Deakin Uni, PLC, Burwood One Shopping Centre, parklands and trams. It's an absolute must see!
