Impeccably presented and placed among a prized family neighbourhood, this wonderfully stylish, one-of-four residence presents calm and carefree comfort within metres of quiet parks, popular cafés, and shopping options. Its appeal heightened by clever versatility, a function-oriented plan sees two robe-lined bedrooms and smart bathrooms span a pair of bright storeys, with a broad stair landing ideal as a home workspace. The focal point of an upscale interior, substantial living and dining zones step into a tranquil outdoor domain, collectively served by a first-rate kitchen boasting stone benches, ample cabinetry, an LG dishwasher, and Electrolux oven/gas top. An enthused entertainer with suitability for professionals, young families, and downsizers alike, further features include hardwood floors, reverse-cycle heating/cooling, impressive storage, laundry facilities to lower bathroom, an alarm, garage, and zoning for respected St Christopher's Primary, Niddrie Primary, and Essendon Keilor College. Placed by the quaint McNamara Avenue lifestyle strip, it's metres from Westfield retail and cinemas, Etzel and Hansen Reserves, the leafy Green Spine, and city-bound 59 tram, while Essendon Fields (with LaManna Supermarket), Keilor Road, and arterial freeways sit moments away.
