In a thriving Thornbury neighbourhood close to the area's key attractions, this modern townhouse presents an expectational inner-urban lifestyle opportunity thanks to its intelligent design elements, first-class features and boutique surrounds (1 of only 5). Quality at every turn, the home's ready-to-enjoy interior comprises two double bedrooms (both with built-in robes) complemented by two stylish ensuite bathrooms - both with stone-top vanities and floor-to-ceiling tiles. Spacious, versatile and filled with natural light, the open-plan living/dining area is further enhanced by a stone-top kitchen with soft-close cabinetry and all-Smeg appliances (dishwasher, oven, gas cooktop and rangehood). High ceilings across both levels, this on-trend townhouse also includes split-system heating/cooling (living area and both bedrooms), solid hardwood floors, double-glazed windows, alarm and video intercom, as well as a European laundry, under-stair storeroom and guest powder room (third WC). Rounding out this perfect package of easy-living excellence is a wide terrace (from the living area) and cosy courtyard to the rear, plus the advantage of a remote-control garage via the rear ROW. A short stroll to local buses (Victoria Road and Dundas Street), Penders Grove Primary School and the open spaces of Penders Park, it also offers easy access to High Street cafes, trams and the convenience of Thornbury Station.
