\$2,000,000 - \$2,150,000

Elevating the benchmark for sophisticated urban dwellings, this newly completed residence encapsulates luxe contemporary style and infused with a swathe of high-end details. Settled at the rear of three exclusive new homes, beautiful engineered European Oak timber floors craft a welcoming introduction to this modern, family accommodating design. The striking kitchen is a statement of first class European technology, with VZUG appliances complemented by Italian porcelain benchtops, whilst the openness of the living and dining areas extends flawlessly onto the deck, affording the enjoyment of indoor/outdoor entertaining and peaceful relaxation amidst a leafy garden border. Four bedrooms and three bathrooms are headlined by the main bedroom suite upstairs, defined as a luxuriously indulgent space with a vaulted ceiling, ensuite, walk in robe, and private balcony. Located steps from Burke Rd cafes and trams and a short walk from Anderson Park and Tooronga Village it enjoys proximity to elite schools and the Monash Freeway, with further features including a study, full-size laundry, ducted heating/cooling, and secure double garage.
