Edwards Windsor is proud to present this recently renovated, low maintenance one bedroom unit in the beautiful suburb of Lindisfarne. This unit really needs to be seen in person as the photos just do not do it the justice it deserves! The open kitchen and living area is north west facing receiving plenty of light throughout the day and has beautiful views across the river Derwent to the western shore of Hobart with Mt Wellington in the background. The property conveniently includes undercover parking for one car and is only a short drive away to Hobart CBD, Eastlands and a number of beaches. Within easy walking distance are the Lindisfarne shops, Lindisfarne primary school and the beautiful walking track along the foreshore, Simmons park is also just around the corner. There is also a private access (walkway) from the rear of the property to the esplanade. This property has a lot on offer and will well suit buyers looking for a first home or an investment opportunity. If this sounds like the perfect property that you have been searching for, and you are ready to buy now, please contact Edwards Windsor today to arrange your private inspection.
