This stylish apartment comes complete with existing quality furniture. You can not help but enjoy life in this highly desirable estate. Live in and enjoy or purchase as investment property with excellent returns. Potential rental income would be \$800 per week. Lounge dining area opens out to a large balcony, three bedrooms, two bathrooms, master with ensuite and three toilets. Upstairs has your own roof top balcony overlooking the beautiful harbour beach and is large enough to entertain your friends in a relaxed atmosphere. Extra storage room under staircase to roof top balcony. A great feature of this apartment is your own large double bay remote control garage with mezzanine level for added storage. Situated in a small apartment block of 4, the body corp fees are very low. This fee includes building insurance. Sleep with the sound of the ocean and wake to walk along the beach just metres from your door.
