Completely renovated and tastefully designed from top to bottom, this central ground level two bedroom unit is one in a group of four that is exquisitely stunning from any angle you look at it. With everything brand new inside from carpet, texture tiles, appliances and block out AND privacy blinds. The kitchen showcases quality design with excellent appliances including dishwasher and even a walk in butlers pantry. Both bedrooms have built in robes and heaters and ceiling fans and the unit has been fully insulated for the added benefit of feeling comfortable all year around. There is also a reverse cycle air conditioning as well. The location of this unit is simply ideal - very short stroll to the centre of town or even the Flume Surf Beach, and transport at your doorstep. Why need a car when you have all this at your fingertips, however there is a car space for one if you do require it. \*\*\* Sorry this property is not pet friendly \*\*\* Register for an inspection today before it's too late.
