Nestled high in the trees above Twynam Street is this lovely 2 bedroom unit. There is back lane access with a single car garage, in addition to the front access up the gentle hill. Both bedrooms have large, built in wardrobes and there is a combined bathroom and laundry with a vaulted ceiling giving plenty of light. The kitchen has generous cupboard space and a separate dining area. The back paved area is perfect for sitting outside and a grassed area at the front can be utilised for children's play.
