Return to an era of yesteryear with this rustic 3 bedroom home, with many of its original features including ornate timber woodwork throughout. It has a galley type kitchen and dining room/living area with wood heater. Each of the 3 bedrooms are large enough to be interchangeable if they are not required for use as bedrooms. This property has been fully rewired. There is an array of interesting outbuildings, including a substantial lockup shed (8m X 62m), small art studio and a lockup galvanised shed. The property is privately positioned on a 1012m² block within a very short walk to Woolworths Supermarket and the shopping precedent in Scottsdale.
