This much loved home on a 995m² (approx.) block of land has a wonderful feel of a bygone era although it offers modern appliances and decorative finishes. The high ceilings and feature plaster work tell the story of a house built with pride and a view to enjoy living and entertaining all year round. Surrounded by well cared for gardens and allowing the gardener to have ample storage and workspace, it naturally provides a haven for birds and brings delight to those who visit. The yard affords space for garden games or play equipment that can be overlooked from the comfort of a well shaded deck. Positioned in a well established family area that is close to shops, schools and transport, you are never far from anything you need. Book your inspection today!
