Embodying quality, this contemporary two bedroom home shines from first glance to last, with a great position offering the lifestyle you've been looking for. From smart façade to elegant leisure spaces, the thoughtfully designed home embraces desirable design and makes the most of reverse living. Waterfall stone, Smeg appliances and plentiful storage define a kitchen you'll love. Generous dining and relaxing space flows to a covered entertainer's balcony with a northerly aspect, ushering in natural light. Restful bedrooms host big BIRs and share a fully tiled bathroom, plus two powder rooms. An easily maintained courtyard, polished floorboards, heating/cooling, video intercom and direct entry garage add more allure. Zoned to Strathmore College, it's a stroll to Coburg North Village, transport, cafes and parks.
