SUN, SAND AND SURF What a superb location this property is located in. So close to the ocean you can hear the waves crashing into the shore at night and then what a superb home to live in with over 250m²* of living space. Not only is there five great size bedrooms with built in or walk in robes but there is also an activity room plus a study. If we add the large lounge and huge family and games room you can start to mentally figure out that this home will fit a very large family. All floor coverings are either tile in main living areas or carpet in lounge room and all minor rooms. Skirting boards throughout and ducted evaporative air conditioning to be ready for the long hot summer. There is also side access for a trailer. Having lived in Singleton for 11 years I can say that the lifestyle is brilliant. To be first to view call Ian Payne on 0417 090 069 at Elders Rockingham. Be fast not last.
