Rare opportunity to secure a flat block in a prime location with half the work already done, all that's left to do is to design and build your dream home. With a 6m x 7.5m air conditioned shed and lush green turf already in place your sea change dream is so much closer to being a reality. Imagine stepping out of your front yard and taking a short stroll to the beautiful waters of Burrum Beach to enjoy long walks along the endless sand. Or, if bushwalking is more to you liking you can step out of your back gate directly into National Parkland where you can experience the local wildlife including many species of birds and the local kangaroo families. The existing shed on the property, with its open plan design currently boasts air conditioning, 1 bedroom, one bathroom, a kitchenette with plenty of bench and cupboard space, living area and an adjoining carport. Once your dream home is complete the existing accommodation could offer the perfect space to accommodate visiting family and friends. There is also a future possibility of using it as an Air BnB or a second residence (with the appropriate Council approval). In such a sought after location, you can take advantage of all that is on offer, hook up the boat and drive a few minutes to one of the towns three boat ramps, take the kayak to the nearby waterfront and head out for a day of exploring, spend the day swimming and enjoying a beachside BBQ with friends and family. And at the end of the day your biggest decision will be whether to open a bottle of red or white to enjoy as the sun goes down.
