A medley of inspiring living zones and a dream location where every amenity is close by ensures the ongoing success of this expansive 5-bedroom, 3-bathroom and 1-powder room residence on 713 sqm approx. Proudly gracing a tree-lined street, these leafy views provide an idyllic backdrop throughout. Charmed by a welcoming open fireplace and central bar, the lounge and living room is large enough for entertaining. Beyond, the open-plan meals/dining room enjoys plenty of north-facing sunshine, accompanied by a family-sized kitchen with induction cooktop. Low-maintenance and sun-splashed, head out to the BBQ alfresco and a substantial upper-level deck. Thoughtfully configured with a separate entry, there is a rear wing living room, study alcove, bathroom and bedroom for multi-generational convenience. Upstairs reveals a fabulous master bedroom that flaunts a walk-in robe, ensuite and door out to a gorgeous alfresco retreat. With ducted heating/air-conditioning, split system air-conditioners, ducted vacuum, a sizeable double auto garage with internal access and off-street parking, look forward to adding your own designer flair to the interiors. An easy walk to mouth-watering cafes, Ashburton Village for groceries, eateries, the Gardiners Creek Trail, train, tram and Glen Iris Primary School, live close to leading private schools including Korowa, Sacre Coeur and Caulfield Grammar.
