Attractive character home with great street appeal on a large corner allotment. Double storey home with room for all the family. A well laid out property that ticks all the boxes. Imagine having your morning coffee and then going for a swim in your own oasis. Featuring four bedrooms all with built in robes, with a walk in closet and ensuite to the master bedroom. The family bathroom is upstairs with a bath/shower, vanity and separate toilet. The floor plan is well thought out, able to give good separation between adults and children if required. Four living spaces with huge family room, expansive open plan kitchen, dining and living area, plus a sitting room upstairs. Heating and cooling is covered with split systems and a gas log fire. The main living space incorporates the open plan kitchen which opens out to the covered deck area around the pool ideal for entertaining. A well appointed kitchen with S/S appliances including cooker with gas top, butchers block, farmhouse double bowl sink, good size pantry and room for a large fridge as well. Expansive covered deck areas surrounding the pool with a resort like feel including a gazebo and a palm tree giving this area a great feel. There is also a bar area ideal for outdoor entertaining near the pool. Fully lockable garage measuring approx 4.2mx 6.68m. If you are looking for a great family home conveniently located to all Trafalgar has to offer including local shops, schools and the train station this must be considered. Inspection a must!
