Nestled in the highly coveted Weir Views precinct, just minutes from various shopping hubs, parks, schools, and sports facilities, the home is tailored for small families who relish entertaining, downsizers seeking a low-maintenance garden, or savvy investors capitalizing on the flourishing rental market. Seamlessly blending indoor and outdoor spaces, the residence provides an ideal backdrop for a hassle-free lifestyle. Distinct living zone encompass the open-plan living, dining, and kitchen area, which includes a 20mm stone island bench, stainless steel appliances and dishwasher. The home boasts three bedrooms, with the master featuring walk in robes and ensuite with the additional bedrooms containing built in robes and are served by a central bathroom. Other highlights are the landscaped surroundings, remote double-car garage and large decked area to entertain all year round. Contact Daniel Webber to arrange your inspection.
