This is a really gorgeous resort style property; It's private, peaceful and quiet and ready to move straight in. Please watch the Video - I'll take you on a personal tour. It's deliciously modern but still with lots of character including a split level for that cosmopolitan feel. You'll fall in love with the high spec designer kitchen including stone bench tops, gas cooking, electric oven, Miele dishwasher plus a sleek double fridge that will stay - it blends beautifully with the cabinets. There's so much storage with wall to ceiling cupboards - the chef in the family will love it! The living area leads out onto THAT lifestyle deck - a whopping 18 x 5m (approx) undercover deck - with spa - total indulgence. The views out to the garden and a rainforest backdrop are beautiful; you can also walk down to a little seasonal creek at the back. There's plenty of space for the largest of families with 4 bedrooms and 2 bathrooms - the Master bedroom is huge with a walk in robe and ensuite. Lie and relax in bed and look out to your very own rainforest. The house is fully air-conditioned PLUS you have an 8.6kva solar system so you can have them running all day long and not have to worry about the power bills - just fabulous! Add to that a resort style swimming pool with Salt chlorinator that's 10m x 5m and so you might never leave your home ever again. There's plenty of space for cars with 2 separate carports and lockable storage/work room at the side. Beautiful low maintenance gardens on 6600m² land, town water, fully fenced and NBN - all at the end of a no through road. WHAT A LIFESTYLE!
