Ray White are pleased to present this lovely 3 bedroom, 2 bathroom home which ticks all the boxes. Built in 2010 and perfectly situated in the heart of Settlers Hill, with central location to shopping center, schools, freeway access and meters from parks. Relax in the large lounge at the front of the property, then walk through to the family, dining & kitchen complete with gas hotplate, electric oven and stainless steel range hood. The family/dining gives enough space to entertain and enters out to the paved alfresco area, which boasts established reticulated low maintenance garden beds. The master bedroom has its own ensuite and walk in robe, the minor bedrooms are generously sized and one has mirrored sliding doors. There is air conditioning to keep you cool this summer. Set to impress, this property is waiting for you to make it home, or keep the current tenants if you are an investor. House plan available on request.
