Area: 375 m2

Type: House

Matthew Kelly

\$880,000

Stunning externally. Spectacular internally. Seldom does a brand-new house of this quality be presented straight to the market. Located in the highly sought after North Nirimba community, this property is surrounded by high end, quality homes and easily accessible to walk-ways, parks, playgrounds, education facilities and sporting fields, making 3 Daisy Street an enviable place to call home. Numerous quality features throughout, including high raking ceilings to the living area, only further enhancing the spacious feel generated from the large, flowing floorplan. 2550mm high ceilings and ducted air-conditioning throughout, four spacious bedrooms, with the master completed with large robe and Hollywood style ensuite. The front bedroom with a clever study provision and in-built desk, making it an ideal office or homework station. Cavity sliding doors to plush carpeted media room, creating a private theater room. Creatively designed modern kitchen with wide stone island bench top, up-market appliances, and ample cupboards, drawers and butler style walk-in pantry complete with separate sink. Glass sliding exit door to the floor tiled Alfresco, fully turfed and decoratively landscaped. To be completed prior to Christmas and sold as a 100% complete, ready to move in package. This home can be secured now, while under construction, on a \$5,000 deposit with no progress payments and settlement upon completion. Please email the agent for full plans, inclusions, and to arrange your private inspection.
