There's never been any doubt - Lake Bunga is a great location, and this Daly Street address is testimony to that. A nicely built 3 bedroom/2 bathroom brick veneer home awaits, where you have light filled living areas and a very pleasant outlook with the property adjoining a public conservation reserve. A well serviced kitchen and dining area look into your back yard that has easy vehicle access for your boat, trailer or caravan. This disability friendly home serves well with not a step to be seen and a bathroom with easy shower and toilet access. Electric/solar hot water is complimented with a further 10 panel solar system. In short, there's a lot to like here.
