Boasting an unbeatable Macedon Ranges location surrounded by fine established homes, this single level residence is prepped and ready for renovation! Presenting a good build quality, the interiors feature chipboard flooring - a great foundation to play around with the layout and experiment with colour, texture, and style. Good side access, with a 40m frontage and a carport furthers renovation appeal. Currently the home comprises formal lounge/dining, a spacious dual aspect living with wood-fuelled heater, meals, and traditional country style kitchen with a wall oven/grill and electric cooktop. There are four bedrooms - built-in robes to 3 bedrooms, and two bathrooms including an ensuite to the main bedroom. The real drawcard of this property are the rambling magical gardens, ready to be restored to former glory. Mature trees and plants include stringy bark gum trees, trellised vines, conifers, camellias, and roses. Taps are plotted throughout the 4,048m² (approx.) grounds, and there is a woodshed, garden sheds, and a greenhouse. So peaceful and private, yet highly convenient: walk to Romsey township with its cute village shopping atmosphere, and cafés. Close to Romsey Primary School, wineries, and amenities.
