Located in sought after Strathalbyn on a large 2,000m² block, in a very quiet cul-de-sac surrounded by quality homes. Large four bedroom with spacious living zones, a separate lounge for quiet entertaining, a quirky study nook near bedrooms two and three, being a rural feel design with veranda wrapping round, quaint cottage look garden and entrance, this is very homely. Side access a huge bonus leading to a shed, the back yard is cropped with an array of vegies, selection of fruit trees behind the fence. The back patio is very generous with a built-in bar.
