You won't find a prettier setting than 3 Douglas Lane for your escape to the country. Nestled amongst apple orchards and cideries and with views to Mount Alexander, lifestyle and convenience are generously delivered in equal portions. The picturesque acreage is peppered with mature gums and boasts a gently flowing irrigation channel, running from end to end of the property, as well as a large dam. Although you will feel a million blessed miles away from the hustle and bustle, the location is just five minutes' drive from the Harcourt village for community and conversation and 10 minutes' drive to Castlemaine for shopping, entertainment and more schools. Access the Calder Freeway within five minutes for your city fix in Bendigo or Melbourne. While there are neighbouring homes and power along Douglas Lane, any potential building plans would be subject to council approval as it is zoned farming. Do your checks and take a leisurely country drive today.
