This fantastic property located in Wallaroo was built by World Concept Homes in 2006 and is a three Bedrooms steel frame home. The lovely kitchen is the hub of the home with plenty of cupboards and large breakfast bar overlooking the dining/ family room, complete with modern conveniences including a dishwasher and walk in pantry. A formal lounge as you step inside the front door with cut away feature wall and decorative ceilings makes this a great hide away at the end of a hard day at work. This home offers 3 generous bedrooms; the main bedroom is complete with access through to the two way bath room and has a walk in robe. The home has split system air conditioning, tiles in the living areas & is fully fenced. Outside you will find a carport under the main roof with access into the home and tidy low maintenance grounds with established trees and lawns, a 3 x 3 metre garden shed and a rain water tank. Call David today on 0429 692 511 for more info.
