\$499,000

This high-set property at 3 Edna St, Goodna, offers a spacious and well-appointed living space, ideal for families or those looking for a comfortable home. The house is situated on a land size of approximately 620 sqm. This property is designed to cater to both practicality and entertainment needs, with a thoughtful layout spanning across two levels. The new kitchen and spacious living areas enhance the overall appeal, while the downstairs utility rooms and game room provide additional flexibility for various uses. The outdoor amenities, including the large carport and fenced yard, contribute to the property's functionality and security. The asking price of \$499,000 positions this home as an attractive option within the real estate market. Prospective buyers may find the combination of living space, outdoor features, and the property's overall layout appealing for a comfortable and convenient lifestyle.
