Designed with distinction, finished with flair, this outstanding home offers beautiful family flexibility moments from Newport Park, The Strand, Hall Street cafés and Newport station. Fabulous living and dining areas accompanied by a contemporary kitchen with a walk-in pantry lead to desirable outdoor dimensions including an alfresco terrace featuring an integrated barbeque bench. The luxury of four bedroom, two bathroom accommodation is highlighted by a main bedroom that represents the perfect parents' retreat - it has the upstairs level all to itself, enhanced by a dressing room, superb ensuite, dual balconies and a fitted study. Above, a sky-lit rumpus room adds vibrant versatility to a home where polished floors, plantation shutters, hydronic heating and ducted air-conditioning complement the evident sense of quality. A secure garage and driveway parking put the finishing touch to a tantalizing picture.
