A beautiful residence located in the growing One Bells Estate is a perfect choice for a growing family. The property is equipped with evaporative cooling and ducted heating, making it ideal for any type of weather. This property has also been designed with a verandah, family room, and open dining area in order to provide a more spacious living area for the family. The master bedroom has a walk-in wardrobe and an en-suite bathroom, while the other two bedrooms have built-in wardrobes. You will also find a walk-in pantry in the kitchen, where you can store your groceries. With the manicured gardens, you will have less time to devote to maintenance. The home is located within walking distance of a number of parks, shopping centers, public transportation, and schools. Clyde Creek Primary School, Clyde Secondary School, St. Peters College, Ramleigh Park Primary School, and Queen's College are among the schools in the area.
