Positioned amongst all which makes this suburb so great, this tidy high-set home has clearly been cared for meticulously over many years, and is now ready for new owners to either unlock its enormous renovation potential, or to continue enjoying it as is for years to come! Those familiar with this burgeoning part of the peninsula will recognise the unique combination of convenience and value for money it offers. Just 1.4km from stunning beaches & the Redcliffe Parade cafe precinct, less than 1km from Redcliffe High and just metres away from the Dolphins Leagues Club & adjoining shopping precinct which features a Coles + a range of other amenities. Inside you will find a well designed floor-plan featuring an open plan living & dining space connecting with the front balcony. The highlight is without doubt the gorgeous timber floors, which along with the kitchen & bathroom have been excellently maintained, positioning the home as usable for many years to come whilst still offering immense amounts of potential to add value should the new owner wish to at any point in the future.
